Supplemental Amendment I

Commissioner for Patents
Washington, D.C. 20231

Sir:

Please replace Amendment H which was previously sent on February 28, 2005, with this Supplemental Amendment I. This Supplemental Amendment I corrects several mistakes that Applicant had inadvertently made in Amendment H.

This Supplemental Amendment I is in response to the Office Action mailed September 10, 2003.

In response to the Notice of Abandonment mailed on November 30, 2004, and the Notice of Non-Compliant Amendment (37 CFR 1.121) and the instructions in the Office Communication mailed July 15, 2004, Applicant has submitted a complete listing of all

of the claims, in which each claim has been provided with the proper status identifier, taking into account the reasons for holding abandonment specified in the Notice of Abandonment.

Applicant has also previous filed a Petition for Revival of an Application for Patent Abandoned Unintentionally Under 37 CFR 1.137(b) together with the required fee on February 28, 2005, on the advice of the Inventors Assistance Center.
